I would like to express thanks to everyone who has helped us put together this sixth issue of *Brief Encounters*: Steve Colburn, Rob Witts, Clare Hunt and everyone at CHASE who trained, guided and supported us through the process; Matt Fay for technical support and for dealing with endless queries; Simon Everett for his skills and patience and the resulting most beautiful layout. Many thanks to Sandy Balfour and the editorial board of the previous issue for words of advice and for paving the way for the entirely remotely process of editing and publishing *Brief Encounters*. My utmost thanks, of course, go to my colleagues on the editorial team - the submission editor, Panggah Ardiyansyah, section editors Amrita DasGupta, Georgia Haire, Maryam Sholevar and Nidah Kaiser, the creative encounters editor Lauren Collee and last but not least, Frances Varley, the reviews editor. I could not appreciate more the time and energy you have invested. I would also like to thank the anonymous reviewers who shared their time and knowledge. Finally, I thank the authors who trusted us with their manuscripts. It was a pleasure to work with such a variety of scholars, and I hope you, readers, will enjoy their voice, creativity and opinions.
